Elliot Lunness

Full stack software developer

Email: elliotlunness@lazercube.com Portfolio: https://lazercube.com

Mobile: 07472232331 Github: https://github.com/LazerCube

A highly motivated and adaptable software developer looking for their first full time development role. Extensive development portfolio and wide-ranging core skill set gained through study and personal development projects over more than 6 years. Business experience accrued through small scale development projects and involvement in family businesses. Overall an intuitive developer with a methodical approach to working and an eagerness to learn and develop personal skills in a practical setting as part of a wider team.
